LATE CHOCÓ

JOEL

Nacemos de la necesidad de contar una historia diferente, narrada y protagonizada por nosotros, con ella, generamos valor agregado al cacao producido ancestralmente por comunidades étnicas del departamento del Chocó, con miras a acceder a mercados especializados.

Joel

We are born from the need to tell a different story, narrated and starred by us, with it, we generate added value to the cocoa produced ancestrally by the ethnic communities of the department of Chocó, with a view to access specialized markets.
